SWF WIPER - 132700

APPLICATIONS

SCANIA R/S/P/G/L Euro6 (10/2016 ->)
OE/OES 2371926/2255733/2753171

CV WIPER BLADE (X1) Standardization

New SWF Wiper 132700 can cover the three below OE/OES for Scania R/S/P/G/L with its "mini" washer ramp mounted on the mainbow

For Scania PN 2371926 (not sold in OES)

- **132700 SWF** can be used directly with the "mini ramp"
- Note : for this generation, the SWF has the washing ramp facing the hood (on LHD) when the OE LHD wiper blades have the washing ramp facing the windscreen.
- VS-VWS decision to have the washing ramp of the SWF wiper blades matching the OE blades of the 2nd vehicle generation (from 2019)

For Scania 2753171 (Current OES P/N sold for all Scania R/S/P/G/L LHD)

- This OES part has NO pre-mounted washing ramp but only 2 clips included in the package to reuse the OE washing ramp
- **132700 SWF** has a pre-installed washing ramp = no need to dismount the original washing ramp to reinstall it on the replacement blade, but need to use the 120mm hose **delivered in bulk into the SWF packaging.**

For Scania 2715133

- P/N printed on OE Blades on Scania R/S/P/G/L LHD 2019 > (equipped with long washing ramp facing the hood)
(P/N Not known by Scania dealers and considered "Not Available")
- **132700 SWF** can replace this OE P/N with its pre-installed washing ramp (also facing the hood on LHD) + the 120mm hose
